chocolatier suisse

Catering Service

Läderach – the chocolate family has stood for top-quality handcrafted Swiss chocolate since 1962. The family company has more than 1000 employees and is headquartered in the canton of Glarus in Switzerland. Since September 2012, Läderach has been producing its own chocolate mass. This means that they are one of the few premium producers that can guarantee sustainable quality from the cocoa bean to the end product.

The company produces exclusively in Switzerland. Their artisanal products are currently sold in over 130 Läderach chocolateries in Switzerland, Germany, the UK, the USA, Austria, China and Canada, as through sales partners in the Middle East and Asia.

Delight your guests with our catering options plus waiters and baristas on demand. We cater to all types of events including corporate, private gatherings, weddings, baby showers, birthdays and more. For a quotation, please contact us and we can customize a menu that suits your needs to bring joy at your event.
